

REMARKS

At the outset, the Examiner is thanked for the thorough review and consideration of the pending application. The Final Office Action dated March 2, 2006, and the Advisory Action dated June 14, 2006 have been received and their contents carefully reviewed.

Currently amended claims 1-9 are allowable in that each of these claims recites a combination of elements including, for example, “a bottom cover having a plurality of lamp holders installed thereon and at least one or more guide projections thereon; and a reflection sheet that reflects light and has a guide hole to receive each of the guide projections, wherein the bottom cover has rugged parts for guiding the lamp holders to be inserted between the rugged parts.”

Currently amended claims 10-13 are allowable in that each of these claims recites a combination of elements including, for example, “inserting a guide projection of a bottom cover into a guide hole of a reflection sheet; and attaching the reflection sheet to the bottom cover, wherein the bottom cover has rugged parts for guiding lamp holders to be inserted between the rugged parts.”

Currently amended claims 14 and 15 are allowable in that each of these claims recites a combination of elements including, for example, “a bottom cover having a plurality of lamp holders installed thereon and a guide projection thereon, the guide projection protruding into the interior of the liquid crystal display; and a reflection sheet that reflects light generated from the backlight and having a guide hole to receive the guide projection, wherein the bottom cover has rugged parts for guiding the lamp holders to be inserted between the rugged parts.”

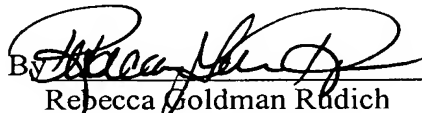

Applicants believe the foregoing discussion places the application in condition for allowance and early, favorable action is respectfully solicited.

If for any reason the Examiner finds the application other than in condition for allowance, the Examiner is requested to call the undersigned attorney at (202) 496-7500 to discuss the steps necessary for placing the application in condition for allowance.
